

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF WEST VIRGINIA  
AT CHARLESTON

UNITED STATES OF AMERICA

v.

CRIMINAL ACTION NO. 2:13-00030

CLYDE ANDERSON, JR.

SUPERVISED RELEASE REVOCATION AND JUDGMENT ORDER  
MEMORANDUM OPINION AND ORDER

On August 30, 2017, the United States of America appeared by C. Haley Bunn, Assistant United States Attorney, and the defendant, Clyde Anderson, Jr., appeared in person and by his counsel, David O. Schles, for a hearing on the petition on supervised release submitted by United States Probation Officer Justin L. Gibson. The defendant commenced a 28-month term of supervised release in this action on August 9, 2016, as more fully set forth in the Supervised Release Revocation and Judgment Order entered by the court on November 17, 2015.

The court heard the admissions of the defendant and the representations and argument of counsel.

For reasons noted on the record of this proceeding, which are ORDERED incorporated herein by reference, the court

found that the defendant has violated the conditions of supervised release in the following respect: the defendant was in possession of controlled substances inasmuch as during a traffic stop on May 7, 2017, he was found to be in possession of two methylenedioxymethamphetamine (MDMA) tablets, commonly known as Ecstasy, and on July 7, 2017, when a search warrant was executed on his residence, he was found to be in possession of 16 MDMA tablets; all as admitted by the defendant on the record of the hearing and all as set forth in the petition on supervised release.

And the court finding, as more fully set forth on the record of the hearing, that the violations warrant revocation of supervised release and, further, that it would unduly depreciate the seriousness of the violations if supervised release were not revoked, it is ORDERED that the supervised release previously imposed upon the defendant in this action be, and it hereby is, revoked.

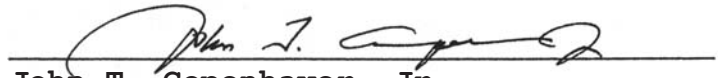

And the court having complied with the requirements of Rule 32(a)(1)(B) and (C) of the Federal Rules of Criminal Procedure, and finding, after considering the factors set forth in 18 U.S.C. § 3583(e), that the defendant should be confined to the extent set forth below, it is accordingly ORDERED that the

defendant be, and he hereby is, committed to the custody of the United States Bureau of Prisons for imprisonment for a period of FOUR (4) MONTHS, to be followed by a term of twenty-four (24) months of supervised release upon the standard conditions of supervised release now in effect in this district as promulgated by the Administrative Office of the United States Courts (National Form AO 245B), the standard conditions as set forth in Local Rule 32.3 and the special condition that he spend the first six (6) months of supervised release in a community confinement center where he shall follow the rules and regulations of the facility, and participate in drug abuse counseling and treatment as directed by the probation officer.

The defendant was remanded to the custody of the United States Marshal.

The Clerk is directed to forward copies of this written opinion and order to the defendant, all counsel of record, the United States Probation Department, and the United States Marshal.

DATED: September 5, 2017
